Verification carried out by: SKG-IKOB Certificatie BV, auditor J. Besseling

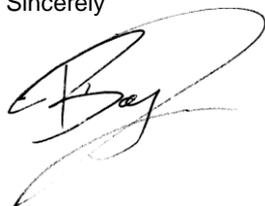

Scope: The realization, maintenance and repair of pump installations

With this document, SKG-IKOB Certificatie BV confirms that the required steps, as described in the manual of the SCL, have been carried out by Vanderkamp Group BV for the product Approved Self Assessment of the Safety Culture Ladder, managed by NEN.

The organization has carried out the following steps as agreed:

- Self-assessment: inventory of the safety culture using the questionnaire in the SAQ Compact under the desired number of employees and the desired number of departments in the organization.
- Performing a GAP analysis for the step desired by the organization.
- Drawing up an action plan in which various points for improvement have been identified to work on in the next 3 years.

Sincerely

Ing. J. Bogaard  
Certificationmanager
